February 23, 2012

Acceptance to SRP 2012

Dear Bohdan,

We are delighted to inform you that you have been selected to participate in the School of Life Sciences Summer Research Program, which will be held from

July 9th to August 31st, 2012

During the time of your internship you will receive a fellowship of CHF 3,200 to cover housing and living accommodation costs during the eight weeks stay in Lausanne. In addition, you will receive additional financial compensation to help cover travel expenses.

Please go ahead and book your flights taking into consideration any visa restrictions you may have.

The intensive nature of the program requires full-time commitment (~ 35-40 hours/week) for eight weeks (continuous) from the participants. All the participants are required to attend and participate in all scheduled events and activities related to the program. Therefore, participants may not attend another summer school or commit to other activities (exam preparation included) during the duration of this program that could interfere with their participation in the program's activities.

Once you have received your lab assignment, please contact the lab head directly to prepare for your arrival ie. Preparative reading, approximate arrival and departure dates etc.

To confirm your participation, please send the following to me by pdf (alice.goodman@epfl.ch) or by Fax (+41 21 693 1875) **before March 5th**.

- this **letter**, signed
- a *readable* copy of your **passport** (which should be valid up to 6 months after your travel) and
- another copy of your **CV with a current and complete mailing address**.

We look forward to having you at the EPFL!

Sincerely,
Alice Emery-Goodman,
SRP coordinator

I understand the requirements of the EPFL-SV summer research program and would like to participate.

I will not be able to participate
